

## Richmond Yards - Tower A

Location: Halifax, NS

Client: Westwood Developments Limited

Construction Manager: Bird Construction

Architect: Fowler Bauld & Mitchell Ltd.

This 30-storey condo tower will be part of a thriving mixed-use neighbourhood that includes residential, commercial, and retail spaces. This 30-storey condo tower will be part of a thriving mixed-use neighbourhood that includes residential, commercial, and retail spaces. The buildings are sustainably designed to maximize solar access and green space and minimize wind effects. CGI will be providing the unitized curtain wall, curtain wall ribbon windows and balcony windows, terrace doors, and vents.
