

Palliser South

Location: Calgary, AB

Client: Aspen Properties

Construction Manager: PCL

Architect: Gibbs Gage

Palliser South was built in 2010 and is a 19-storey, 300,000 sq. ft. cantilevered office building, located on the corner of 10th Avenue and 1st Street SE. Palliser South received The Outstanding Building of the Year (TOBY) award in 2018, LEED® Gold certification in 2017, and BOMA Gold in 2014. CGI operated in a design assist capacity and used the Fulton Fulwal 4 system, SSG and custom caps for this building.
