

The Well

Location: Toronto, ON

Client: RioCan REIT and Allied Properties REIT

Construction Manager: Deltera

Architect: Adamson Associates Architects

The Well is an innovative, mixed-use complex centrally located at Front/Spadina and will consist of seven buildings including: three condominiums, three apartment rental towers, an office building, and offer unique shops and restaurants. The neighbourhood connects to the King St. West and Entertainment District, making this area a hub of energy and culture. CGI will be working on five of these incredible buildings and providing unitized curtain wall, punched windows, entrances, skylight, and radius glazing.
